

TOGETHER AGAINST RACISM AND SOCIAL INEQUITY

The Windsor Public Library Board is committed to providing inclusive public library services, resources and facilities where everyone feels safe, welcome and valued. The public library belongs to everyone. The WPL respects the rights of all individuals to access information, participate in programming, and engage with the community regardless of race, citizenship, gender, income level, education, sexual orientation, including those living with a disability, addiction, mental illness, or experiencing homelessness. The WPL is actively working to promote knowledge over ignorance, understanding over intolerance and access over inequity.

To achieve this the Windsor Public Library will:

- ⇒ Eliminate racial and social barriers to library programs, services, policies and practices;
- ⇒ Acquire library resources that reflect the rich diversity of the Windsor community;
- ⇒ Create and maintain a welcoming environment for all races, which respects both customers and employees.

The Windsor Public Library Board stands with our community against racism and reinforces the library's mission and values to promote equity.
